Leaders for the World: How to develop and use leadership to your advantage

It's been a buzzword of the last few years, but it still doesn't seem clear: what is leadership and why should we care about it? The interactive Leaders for the World workshop aims to enable a better understanding of the concept, as well as show you ways you can develop leadership in yourself and others, in order to maximize your strengths, boost your career and facilitate impact on an international scale.

AIESEC in Austria

AIESEC is a global platform for young people to explore and develop their leadership potential through personal and professional development experiences. The AIESEC network includes over 100,000 members in 126 countries and territories. It is the largest youth-run organisation in the world. We enable both employers and organisations to connect with a global network of talent,
